Jaeger-LeCoultre Reverso 211.8.47 / Q2618130 – Stainless Steel, Recently Polished
Reverso demand is at an all-time high, making well-preserved examples increasingly difficult to source. This Jaeger-LeCoultre Reverso reference 211.8.47 / Q2618130 has just been through professional polishing and now presents in near-perfect condition — about as close to new as a pre-owned example can get.

Key Details

Condition Report

Case: Professionally polished — the case is free from scratches and marks, presenting in near-new condition.

Dial: Perfect, with crisp guilloché centre and strong, clean printing.

Glass: Excellent with no visible marks.

Bracelet: Polished and in outstanding condition; sized for a 16.5cm wrist.

Movement: Quartz movement fully tested with recent battery replacement.

Overall: An exceptional, near-perfect pre-owned Reverso.

Our View

Finding a Reverso in this condition has become increasingly challenging. This example stands out with its recent professional polish, flawless dial and crystal, and beautifully finished bracelet. It wears elegantly with its classic 34 x 22mm proportions and offers the timeless Reverso aesthetic with the convenience of a quartz movement. A superb option for both collectors and those seeking an everyday luxury watch with unbeatable Art Deco charm.
