### Rolex GMT-Master II 116710LN – Full Set – Ceramic Bezel – 2011 – Fresh 2025 Service

This Rolex GMT-Master II reference 116710LN arrives as a complete full set from its original UK purchase in 2011. Freshly serviced, lightly polished and fully resealed in 2025, it is presented in excellent condition and ready for next-day delivery or secure collection from our Mayfair, London showroom.

A highly desirable discontinued model, the 116710LN features the iconic black Cerachrom bezel, green GMT hand and classic Oyster case proportions. This example includes its full complement of original accessories and is backed by our 12-month mechanical guarantee.

Bracelet: 9/10 — light wear professionally polished  
Dial: 10/10 — pristine, no imperfections

#### Our View

This Rolex GMT-Master II 116710LN stands out as one of the strongest examples of the model currently available. With Rolex having discontinued this reference, demand remains exceptionally high for clean, full-set pieces — especially those benefitting from a recent professional service. Its ceramic bezel, updated case proportions and classic black/green colourway make it a perfect everyday luxury sports watch and an excellent long-term addition to any collection.
