Watch: Omega Seamaster Diver 300 M 210.30.42.20.01.001
Stock Number: CHW6858
Price: £4200.00

The perfect example of this impressive Omega Seamaster reference 210.30.42.20.01.001! We would rate this watch as 9.5/10 for condition and in perfect working order.

Presented as a complete full set of inner and outer box, manuals, swing tag, warranty card (dated to 2022), our 12 month guarantee and insured shipping. Recent pressure test and time test too!

42mm stainless steel case with black rotating ceramic bezel with white enamel diving scale. Featuring the wave dial in black with big bold luminous hour markers and the date at 6. Skelton hands with Super-LumiNova.

OMEGA Master Chronometer Calibre 8800 automatic movement that can be seen through the exhibition case back. 55 hour power reserve.

Domed scratch-resistant sapphire crystal with anti-reflective treatment on both sides.

Full length steel polished bracelet with diver extension and fold over clasp.

A finer pre owned version you will struggle to find. Current RRP is £5600 for this watch and we believe this example is at a great discount to that.
