

## **Victorian 15ct Gold Fancy Link Chain | Adjustable 47-50cm | c.1880 POA**

A rare 1880s Victorian 'fancy link' chain in 15ct yellow gold. This piece features a beautiful rhythmic alternation of hand chased decorative links and smooth circular rings, retaining the rich, buttery tone unique to antique 15ct gold.

This is a standout find as it is uniquely engineered with two original clasps, allowing you to switch the length between 47cm and 50cm. This makes it the perfect base chain for layering with antique pendants or wearing alone as a chic, standalone statement.
