

**Gold Omega Ref. 923 vintage wristwatch**  
**£1,200.00**

A stylish 9ct yellow gold manually wound wristwatch

Omega's reference 923 has a substantial gold case and handsomely down-turned lugs with stepped edges. This example of the model has a silvered dial with applied gold numerals that is in outstanding original condition. Manually wound, the watch is powered by Omega's calibre 268 which is from the superb Omega '30' series.
