

**Zenith Stellina Ref.12894 9ct Gold Circa 1961
£1,200.00**

The Zenith Stellina Ref. 12894 is a timeless example of mid-century Swiss elegance, crafted circa 1961 in a solid 9ct gold case with hallmark. Its classic design exudes sophistication, making it a versatile dress watch for both collectors and enthusiasts of vintage timepieces.

Powered by the renowned Zenith calibre 40-T manual wind movement with 17 jewels, this watch delivers precise and reliable timekeeping, reflecting the brand's legendary commitment to craftsmanship and quality. The 33mm case features a screw-down case back with inner dust cover, protecting the movement while preserving its integrity over decades.

Fitted with a non-original leather strap and pin buckle, it complements the watch's vintage aesthetic, while the dial, case, and movement are all fully signed. With its rich history, solid gold construction, and refined mid-century design, the Zenith Stellina 12894 is a highly collectible and elegant piece, perfect for anyone seeking a classic dress watch with lasting style and Swiss heritage.
