## Zenith Stellina Ref. 12894 – 9ct Gold – Circa 1961

A classic and elegant vintage Zenith Stellina, reference 12894, dating to circa 1961. This timepiece showcases timeless mid-century design, housed in a solid 9ct gold case hallmarked.

Powered by the reliable Zenith calibre 40-T manual wind movement with 17 jewels, the watch reflects the brand's long-standing reputation for precision and craftsmanship.

The 33mm case features a screw-down case back with inner dust cover, preserving the integrity of the movement. The watch is fitted with a non-original leather strap and pin buckle, complementing its vintage aesthetic.
