

**Cartier Panthere 187949**  
**£4,200.00**

A timeless classic, the Cartier Panthere is one of the maison's most iconic designs, known for its effortless elegance and everyday wearability. With its signature square case, Roman numerals, and blued steel hands, it's a piece that never goes out of style.

This example, reference 187949, is fitted with the desirable one-row bracelet, giving it a sleeker, more refined look on the wrist compared to the wider versions. It wears beautifully and is perfect for both casual and formal settings.

The watch comes complete with its original box, a nice addition for collectors and those looking for a full presentation. It remains in very good condition overall, with only light signs of wear in line with age, and is running well.

A strong, wearable example of an enduring Cartier favourite — ideal for anyone looking to get into vintage Cartier or add a versatile piece to their collection.
