TAG Heuer Monza CR2111 – Automatic Chronograph – 38mm

A stylish and increasingly desirable TAG Heuer Monza CR2111, recently serviced and offered with insured shipping and a 12-month mechanical guarantee. With its 38mm case, white dial and original TAG Heuer leather strap, this is an elegant and sporty automatic chronograph with strong vintage appeal.

#### Key Details

- Model: TAG Heuer Monza
- Reference: CR2111
- Case Size: 38mm
- Case Material: Stainless steel
- Dial: White
- Crystal: Sapphire (no imperfections)
- Movement: Automatic chronograph (recent service)
- Strap: Original TAG Heuer leather strap
- Clasp: Original Heuer signed deployment clasp
- Box: TAG Heuer service box only
- Guarantee: 12-month mechanical guarantee

#### Condition Report

Case: Hand cleaned and lightly hand polished, not machine polished. Shows minor scratches and marks consistent with age, nothing significant.

Glass: Excellent condition with no visible imperfections.

Dial: Perfect condition with crisp printing and no flaws.

Strap: Original TAG Heuer leather strap showing wear on the inside; very little visible from the outside. Fully usable.

Clasp: Original Heuer deployment clasp in very good condition.

Overall: An attractive, lightly refreshed example with honest age appropriate wear. Polishing can be carried out upon request.

#### Working Order

Recently serviced and running at +4/5 seconds per day with an amplitude of 300.

Time tested and pressure tested.

Includes 12-month mechanical warranty.

#### Insured shipping

#### Our View

The Monza CR2111 is one of TAG Heuer's most characterful models, combining vintage racing heritage with a clean, elegant presence on the wrist. With its white dial, 38mm proportions and original strap and clasp, this example is an excellent choice for anyone wanting a refined yet sporty automatic chronograph. Recently serviced and performing exceptionally, it offers great value and everyday reliability.
