Price: £1100.00

Omega Seamaster – Ref. 2846 / 2848 – Silver Dial – Cal. 501 – Automatic – 1958

A recently serviced Omega Seamaster Ref. 2846, this mid-century classic has a delightful silver dial, silver indices and the legendary Calibre 501 automatic movement. Dated to 1958, it remains in excellent mechanical order and carries the charm and character expected of an original 1950s Omega.

#### Case & Dial

Approx. 35mm stainless steel case  
Smooth steel bezel  
Silver Dial with natural patina  
Silver-coloured indices  
Silver hands  
Omega-signed steel crown  
A clean, elegant 1950s design with beautiful vintage character

#### Movement

Omega Calibre 501 automatic movement  
Recently serviced — excellent working order  
Smooth, reliable performance

#### Strap

New black generic leather strap  
Complements the vintage tones of the dial

#### Condition

Hand cleaned and lightly polished  
Shows signs of age and light scratching consistent with a 1958 watch  
Dial displays natural discolouration and patina  
Crystal clean  
Mechanically excellent following recent service

#### Our View

This Seamaster 2846 is a beautifully honest example of late-1950s Omega design. The 35mm steel case delivers classic proportions with standout vintage personality. A strong choice for collectors who appreciate originality, patina and mechanical integrity.

#### What's Included

Recent service  
12-month in-house mechanical warranty  
Fully insured next-day UK delivery or Mayfair collection
