Overall: A collector's-grade unworn example, still retaining its original swing tags.

Our View

Jacob & Co. remains one of the most distinctive luxury watchmakers, known for bold multi-dial creations and artistic watchmaking. The Palatial Five Time Zone is a statement piece that embodies the spirit of New York luxury — oversized presence, dramatic design and instant recognisability. Unworn examples with original packaging and tags are increasingly scarce, making this a standout opportunity for collectors and enthusiasts of unconventional haute horlogerie.
