

**Pulsar G10 British Military Wristwatch**  
**£299.00**

Watch: Pulsar G10 British Military Wristwatch

Stock Number: CHW6849

Price: £299.00

One of the very last Pulsar G10 watches made for the British Military, this 2012-dated example is in immaculate condition. A perfect representation of the later-era G10 specification, complete with full military markings and fitted to a brand-new unworn black and grey striped textile strap.

#### Condition Report

Case: Immaculate polished steel case, exceptionally clean for a 2012 military-issued watch.

Dial: Excellent condition with bright luminous markers.

Crystal: Very clean with minimal signs of handling.

Strap: Brand-new unworn black and grey NATO strap.

Overall: Rated 9/10 — one of the finest late Pulsar G10 examples available.

#### Working Order

Perfect working order.

New battery installed.

Fully tested and supplied with our 12-month guarantee.

#### Our View

As one of the final Pulsar G10 watches issued to the British military, this 2012 example represents a significant and increasingly collectible piece of recent MOD history. Rugged, lightweight, legible and reliable, the G10 remains a classic military field watch design — and finding one in this condition is becoming exceptionally difficult. With full military markings and a new strap, it offers outstanding value for collectors or enthusiasts of military timepieces.
