Cartier Vendôme 590003 Quartz
£1,600.00

The Cartier Vendôme 590003 Quartz is a classic vintage Cartier piece from the late 1980s–1990s, featuring a refined 30mm round case in gold-plated silver.

This example has a black dial with gold Roman numerals, giving it a sharp, elegant contrast that stands out while staying true to Cartier's timeless design. It is powered by a reliable quartz movement for easy, everyday wear.

Fitted on a bespoke black strap, made to fold properly into the deployment buckle for a clean and secure fit on the wrist.

A simple, elegant vintage Cartier that works perfectly for both daily wear and formal occasions.
