

### **Omega Constellation Ladies 'Manhattan' 795.1076 £950.00**

The Omega Constellation Manhattan 795.1076 is a classic 1980s model from Omega's iconic Constellation line. It features a 22.6mm gold and stainless steel case, paired with a stainless steel bracelet and secure clasp for a comfortable fit.

The watch is powered by a precise quartz movement, offering reliable and low-maintenance performance. Its compact size and signature "Manhattan" design give it a clean, elegant look suited to both everyday wear and formal occasions.

Presented in very good condition, showing only light, normal signs of wear. Supplied with an Omega service box.

A simple and timeless Omega—perfect as a refined daily piece or a classic addition to any collection
