Condition Report

Case: Very good vintage condition; gold plating remains strong with light wear visible only on close inspection.

Dial: Original dial showing light pitting and even natural ageing, adding genuine vintage character.

Hands: Original hands with matching tone to the dial.

Crystal: Clear acrylic with light age?appropriate marks.

Overall: Excellent condition for a gold?plated Seamaster from 1956, showing honest and attractive signs of age.

Working Order

Fully serviced in our workshop in April 2026.

Running strongly and reliably.

Exceptional performance for a mid?1950s automatic Omega.

Our View

The Omega Seamaster 2849?4SC is a classic mid?century design that embodies everything collectors appreciate about early Seamasters — elegant proportions, robust construction and timeless styling. The gold?plated case adds warmth and sophistication, while the honest patina gives this example real vintage character. Freshly serviced and well presented, it is an excellent choice for anyone seeking a wearable and authentic 1950s Omega.
