#### Condition Report

Case: Hand polished and cleaned; gold plating remains in superb condition with excellent colour and no visible wear.

Dial: Clean champagne dial with no discolouration or blemishes.

Crystal: Scratch-free acrylic glass.

Strap: Brand-new unworn black generic leather strap.

Overall: Excellent condition throughout, especially strong for a vintage gold-plated Seamaster.

#### Working Order

Fully serviced and performing exceptionally well.

Running at just a few seconds fast per day with a healthy amplitude.

As good mechanically as a vintage watch of this age can be.

Covered by our 12-month mechanical guarantee.

#### Our View

The Omega Seamaster 166.0203 is an understated and elegant vintage model that perfectly captures the design language of the early 1970s. The cushion case wears comfortably, the champagne dial adds warmth, and the strong gold plating elevates it beyond many comparable vintage pieces.

Recently serviced and beautifully presented, this Seamaster is ready to be enjoyed immediately.
