Case: Hand polished and cleaned; very good condition with light age appropriate wear.

Dial: Clean silver dial with no marks or blemishes.

Hands: Original hands showing some natural discolouration consistent with age.

Crystal: Acrylic crystal scratch free and clear.

Overall: Very good all round condition for a vintage Tudor Oyster.

Working Order

Good all round working order and running within the expected timing parameters for a watch of this age.

Can be fully serviced at additional cost if requested.

Supplied with our 12 month mechanical guarantee.

Our View

The Tudor Oyster 7960 is a simple, elegant vintage watch that showcases Tudor's early commitment to robust construction and classic design. Its balanced 34mm case size, clean silver dial and manual wind movement make it an excellent everyday vintage option. Well presented, mechanically sound and fitted with a new strap, it represents strong value in the vintage Tudor market.
