Cartier Panthère Ronde Vendôme 6692 – 18ct Yellow Gold – Factory Diamond Set – c.1990

We are delighted to present this exceptional Cartier Panthère Ronde Vendôme, reference 6692, dating to circa 1990. An elegant and increasingly collectible vintage Cartier, this example is crafted entirely in solid 18ct yellow gold and elevated by a factory one-row diamond set case, offering refined brilliance without excess.

Preserved in remarkable condition and complete with a Cartier service pouch, this is a sophisticated and highly desirable expression of Cartier's timeless design language.

Our View

At over 35 years old, this Panthère Ronde Vendôme represents vintage Cartier at its most refined. The combination of solid 18ct gold, factory diamond setting and the stunning white dial makes this a particularly special and collectible example. Elegant, wearable and increasingly difficult to source in this condition, it offers excellent value for collectors and those seeking a truly distinctive vintage Cartier.
