£2,195.00**

Watch: Omega Speedmaster Date Automatic 3513.50 Watch and Box Only
Stock Number: CHW4865
Price: £2,195.00

This Omega Speedmaster arrives with us in very good condition as well as working order accompanied with its original inner and outer boxes, wallet and instruction manuals in addition to our 12 -month warranty.

Fully serviced in January 2025.

The Omega Speedmaster, model 3513.50, features a 39mm stainless steel case, a stainless steel tachymeter fixed bezel, black dial with baton hour markers, the sub-dials positioned at 6, 9 and 12, respectively, and a date aperture at 3 o'clock.

The watch operates from an automatic movement, caliber 1152, providing a maximum power reserve of up to 44 hours. Water-resistant to 50m.

The watch is fitted to a signed Omega stainless steel bracelet with a push button deployment clasp.
