Modernist Lapis Lazuli Drop Earrings - Saddingtons Jewellery Stand 375 £450.00

Funky Modernist Lapis Lazuli Drop Earrings. These abstract vintage earrings feature a 14ct yellow gold stud, designed with an intentional asymmetry: one formed as a softly squared plaque, the other as a polished circular disc. Each has a minimalist linear motif. Suspended from the gold studs are articulated drops of 8 natural lapis lazuli, composed of irregular, polished segments, creating movement and texture. The deep cobalt-blue of the lapis contrasts beautifully with the warm tone of the gold, while the organic forms soften the geometric style of the studs. The drop length measures 2.8cm, the total length is 3.7cm. On the back of the circle stud there is a European boutique designer hallmark as well as 585, 14ct, stamp. The earrings have a butterfly and post fixture. Please contact us if you would like to know more about these beautiful earrings or visit us at Saddingtons Jewellery, Mayfair.
