

**Antique Cufflinks in 14 Karat Gold with Cabochon Sapphire, *Austrian circa 1900.
£750.00**

A pair of single sided 14 karat yellow cufflinks which have a wonderfully soft patina often found in jewellery of this period. Oval in shape and set with an off centre cabochon shaped sapphire. They have a traditional stiff bar connection with a swivel torpedo terminal. The reverse of each link stamped 585 for 14 kt gold, XX and PU. The style of these links are very Austrian in design but no distinguishing marks.

Measures 18mm in height x 12mm in width.

Antique piece (over 100 years old).

Turn of 20th century, *probably Austrian circa 1900.

Central London based retailer.
