Moonstone & Onyx Drop Earrings - Saddingtons Jewellery Stand 375 £995.00

Chic Moonstone & Onyx Drop Earrings. An elegant and striking pair of 18ct gold drop earrings, designed with a sophisticated contrast of black onyx and luminous white moonstone. The one of a kind, craftsman made earrings are composed of polished cushion-shaped onyx tops, each suspending a smooth oval moonstone drop with a beautiful soft glow. The earrings feature a hinge link that gives gentle articulated movement of the moonstone drops, this adds softness and fluidity when worn. Chic, sculptural and exceptionally wearable, these vintage earrings transition effortlessly from daytime tailoring to evening wear. The gold on the earrings has a matte finish. The earrings are 32mm in length with the onyx measuring 11x11mm and the moonstone 20x15mm.
