Lapis Lazuli & Turquoise Drop Earrings - Saddingtons Jewellery Stand 375
£975.00

Lapis Lazuli & Turquoise Drop Earrings. A vibrant and beautifully balanced pair of vintage 18ct gold drop earrings, combining the rich cobalt-blue tones of lapis lazuli with vivid turquoise oval drops. The one of a kind craftsman made earrings are designed with cushion-shaped lapis lazuli studs suspending polished turquoise drops with articulated gold links that allow gentle movement when worn. The bold contrast creates a striking Mediterranean palette, while the clean geometric gold detailing lends the design a refined contemporary edge. Small triangular gold connectors introduce an architectural element and their compact proportions make them highly wearable while still offering a confident statement. The gold on the earrings has a matte finish. The drops measure 30mm with the lapis measuring 8.5×8.5mm and the turquoise 16x12mm.
