Multi-Gemstone & Baroque Pearl Drop Earrings - Saddingtons Jewellery Stand 375
£1,450.00

Impressive Multi-Gemstone & Baroque Pearl Drop Earrings. An exceptional pair of artisan-crafted gold drop earrings, combining luminous baroque natural pearls with an elegant arrangement of coloured gemstones in richly contrasting tones. The design begins with pear-shaped blue gemstones at the stud, suspended beneath by delicate articulated links accented with small round stones and emerald-cut pink tourmaline, culminating in substantial baroque pearl drops. All the stones are mounted in 18ct yellow gold with a matte finish. The irregular natural form of the pearls gives the earrings an organic, sculptural beauty, while the geometric gemstone settings create a refined architectural balance. The soft lustre of the pearls contrasts beautifully against the vivid pink and deep blue stones, producing a composition that feels both luxurious and highly individual. The pearl and its fitting measure 30mmx14mm with the total length being 59mm. Elegant movement, asymmetry of texture and sophisticated colour layering give these earrings a distinctly one-of-a-kind atelier aesthetic. Dramatic yet wearable, they have the feel of contemporary studio jewellery.
