

Edwardian Pearl & Diamond Clover Brooch - Saddingtons Jewellery
Stand 375
£995.00

Edwardian Pearl & Diamond Clover Brooch. Stunning clover brooch with 42 pearls and 4 diamond set in 15ct yellow gold. The leaf heart shape sections have 12 pearls with a small transitional brilliant cut diamond claw set in the centre, the biggest diamond sits in the middle of the clover design. The openwork design creates a delicate lightness typical of refined late Victorian and Edwardian jewellery. Rich in symbolism, clover jewellery traditionally represented luck, hope, faith and love, making pieces such as this highly cherished sentimental gifts during the Victorian era. The soft glow of the pearls contrasts beautifully with the lively brilliance of the diamonds, creating an elegant and timeless composition. From top to bottom the brooch measures 2.8cm and it is 2.6cm wide. Please contact us if you would like to know more about this wonderful brooch or visit us at Saddingtons Jewellery, Mayfair.
