Our View

The Portofino is one of IWC's most elegant and understated designs, and this IW356506 stands out thanks to its Milanese mesh bracelet — giving it a refined yet slightly contemporary edge. With its full set completeness, excellent condition and timeless styling, this is a fantastic option for anyone seeking a sophisticated everyday dress watch.

Retailing new at around £4,900, this represents strong value for a high quality Swiss automatic with classic appeal.
