Omega Seamaster 300M 2541.80.00 | 41mm | Blue Wave Dial | Box & Papers | 2003 - Unpolished

A superb example of the Omega Seamaster 300M 2541.80.00, complete with original box swing tag, links and papers dated to 1998. This iconic dive watch represents one of Omega's most recognisable designs — the quartz-powered Seamaster 300M with its distinctive blue wave-pattern dial and skeleton hands, a design immortalised by its connection to the James Bond franchise.

This example is presented in great condition for its age, we have purposely left this watch unpolished (and never been polished) however it can be polished upon request at no charge, rated 8/10 in our view. The original full-length bracelet is included, making this a complete and highly desirable package.

Pressure tested, battery change, full set and unpolished with little to no marks anywhere. Pristine box with swing tag and even a price tag, this watch has been clearly loved and well looked after.
