

**Platinum Emerald and Diamond Trilogy- Spectrum Antiques**  
**£3,850.00**

A refined platinum trilogy ring, hallmarked to Birmingham and set with a vivid emerald-cut emerald weighing approximately 2.40 carats. The crisp geometry of the centre stone is beautifully balanced by a pair of bright diamonds totalling approximately 0.90 carats, creating a classic three-stone silhouette with elegant presence on the hand.

Crafted in 950 platinum, the clean, cool tone of the setting enhances the saturated green of the emerald and gives the ring a timeless, luxurious finish. A beautifully proportioned vintage piece, equally suited as a distinctive engagement ring or as a standout addition to a fine jewellery collection.
