

18ct Gold Pear-Shaped Solitaire Diamond Ring- Spectrum Antiques £1,250.00

A timeless 18ct yellow gold solitaire ring set with a beautifully proportioned pear shaped diamond, weighing approximately 0.65ct and graded G colour, VS2 clarity. The diamond is secured in a refined claw setting, allowing maximum light return and an elegant, elongated silhouette on the hand.

Hallmarked in the UK (London) and dating to 1988, this piece is a classic late 20th century engagement style ring—simple, sophisticated, and effortlessly wearable.

A perfect choice for those who love understated luxury with a flattering vintage feel.
