

**Pear-Shaped Morganite Rose Gold Ring - Saddingtons Jewellery Stand  
375  
£550.00**

Pretty Pear-Shaped Morganite Rose Gold Ring. Contemporary pear-shaped morganite ring crafted in 9ct rose gold. The ring is centred with a beautiful pear-cut morganite displaying delicate blush peach-pink tones, elegantly highlighted by the warm colour of the rose gold setting. The simple claw-set mount allows the stone to remain the focal point while giving the ring a refined and modern silhouette. Feminine and understated, morganite has become increasingly sought after for its soft romantic colouring and elegant wearability, making this ring ideal as a statement dress ring or alternative engagement ring.
