Edwardian Single Stone Diamond Platinum Ring - Saddingtons Jewellery Stand 375
£4,725.00

Edwardian Single Stone Diamond Platinum Ring. An elegant Edwardian diamond solitaire ring crafted in platinum, centred with a beautiful victorian old cushion cut diamond in a refined claw setting. The central stone is complemented by delicately bright cut engraved shoulders, each accented with three eight-cut diamonds. The ring displays many of the finest characteristics of Edwardian craftsmanship, including a beautifully pierced open gallery which allows light to pass through the central diamond, enhancing its sparkle and creating an airy, lace-like appearance from the side profile. The fine engraving to the shank and the delicate platinum mount give the ring exceptional refinement and femininity. A timeless and highly wearable antique engagement ring, elegant enough for everyday wear yet full of period charm and craftsmanship. The central diamond is 1.52ct weighed, G-H incolour and VS2 in clarity. Please contact us if you would like to know more about this stunning ring orvisit us at Saddingtons Jewellery, Mayfair.
