

**Victorian Silver Belt Cuff Bracelet - Saddingtons Jewellery Stand 375  
£395.00**

Wonderful Victorian Silver Belt Cuff Bracelet. A beautifully engraved Victorian sterling silver cuff bracelet dated to 1886, hallmarked with a Birmingham assay mark. This striking wide-form bracelet is decorated throughout with elegant hand-engraved floral and foliate motifs showcasing the refined artistry of late 19th century silver work. The bracelet features a crossover buckle-inspired design to the front, combined with a patented 'west patent' sprung interior construction which allows the piece to sit comfortably and securely on the wrist. The rich engraving and softly aged silver patina give the bracelet exceptional depth and character. Both highly wearable and distinctly decorative, this is a wonderful example of substantial Victorian silver jewellery — elegant enough for everyday wear yet bold enough to make a statement. A rare and beautifully preserved antique silver cuff with timeless appeal. Please contact us if you would like to know more about this amazing bracelet or visit us at Saddingtons Jewellery, Mayfair.
