

White Gold & Diamond Wave Earrings - Saddingtons Jewellery Stand 375
£195.00

White Gold & Diamond Wave Earrings. A sleek and contemporary pair of diamond earrings crafted in polished 9ct white gold, designed in an elegant flowing wave form and set with 5 sparkling round diamonds. The softly curved silhouette gives these earrings a refined, sculptural appearance, while the channel-set diamonds add a delicate line of light and brilliance. Their clean modern design makes them exceptionally versatile — ideal for both everyday wear and evening styling. From the post to the bottom the earrings measure 1.3cm, the total length is 1.7cm. On the back of the earrings there is a 9ct ‘375’ stamp as well as a diamond stamp ‘DIA 0.1’ Please contact us if you would like to knowmore about these gorgeous earrings or visit us at Saddingtons Jewellery, Mayfair.
