

**Vintage Amber Earrings - Saddingtons Jewellery Stand 375  
£475.00**

Vintage Amber Earrings. A striking pair of vintage amber earrings crafted in warm 14ct rose gold, each designed in an elegant elongated marquise shape and set with richly coloured natural amber. On the back of the earrings there is 14ct '585' gold stamp. Unlike traditional flat amber earrings, these have a beautifully sculptural domed form that rises to a gentle point through the centre, giving them exceptional depth, dimension, and presence when worn. The curved shaping enhances the natural glow of the amber, allowing the golden cognac tones and internal inclusions to catch the light beautifully from every angle. The soft warmth of the 14ct rose gold complements the amber perfectly, creating a refined and highly wearable pair with both vintage charm and a distinctly modern organic feel. The earrings total length is 2.7cm, from the post to the bottom is 2cm. Please contact us if you would like to know more about these gorgeous earrings or visit us at Saddingtons Jewellery, Mayfair.
