Case & Dial

Case: 42mm Oystersteel case with strong wrist presence, showing only light signs of careful wear.

Dial: Crisp “Polar” white dial with black-outlined luminous hour markers for maximum contrast and readability.

Hands: White gold-filled hands with Chromalight lume, paired with the iconic bright orange GMT hand.

Crystal: Sapphire crystal with anti-reflective coating for enhanced clarity.

Details: Crown located between “Swiss” and “Made” at 6 o’clock—subtle detail specific to this reference generation.

Movement

Powered by Rolex’s modern automatic movement with a 70-hour power reserve, offering accuracy, durability, and everyday reliability.

Running as expected and performing in line with Rolex standards.

Bracelet

Type: Oystersteel Oyster bracelet

Clasp: Oysterlock safety clasp

Condition: Very good, with minimal wear

Fit: Supplied with full set of links for versatility and comfort

Condition

Overall: 9/10

Light, careful wear visible on case and bracelet

Dial and crystal remain flawless

A very well-kept example ready to wear or collect

Our View

The Explorer II 226570 Polar is one of Rolex’s most distinctive and functional modern sports models. The bold white dial, orange GMT hand, and practical dual-time capability make it as useful as it is eye-catching. With its full set, recent purchase date, and excellent condition, this example represents outstanding value for both daily wear and long-term collecting.
