Overall: A well-kept and attractive example.

#### Working Order

In-house MT5612 movement running perfectly.

All functions operating exactly as intended.

Strong power reserve and reliable performance expected.

#### Our View

The Black Bay S&G is one of Tudor's most versatile modern pieces — blending heritage dive watch styling with a more premium gold and steel aesthetic. The black dial keeps it classic and wearable, while the gold accents give it standout appeal.

With full set completeness including receipt, swing tags, and spare links, alongside the robust in-house movement, this is an excellent opportunity to own a highly capable and visually striking Tudor at a very competitive price.
