Omega De Ville 511.444 – 25mm – Gold Plated – Manual Wind – 1974 – Box

A refined and elegant vintage ladies Omega De Ville, reference 511.444, dated to 1974 by serial number. With its slim square case, clean gold dial and matching Milanese bracelet, this is a beautifully preserved example of Omega's classic dress styling from the 1970s — enhanced by the presence of its original box and signed strap.

Overall: A well-preserved and complete vintage ladies set.

Working Order

Manual wind Calibre 625 operating correctly.

Tested and running as expected.

Supplied with our 12-month mechanical guarantee.

Our View

The Omega De Ville is synonymous with understated elegance, and this example perfectly reflects that ethos. The addition of its original box and signed bracelet elevates it beyond the typical example, making it particularly appealing for collectors or as a gift.

With its classic proportions, slim profile and gold-tone styling, it remains a timeless and highly wearable vintage piece.
