

**Emerald Cut Aquamarine & Diamond Dress Ring - Saddingtons Jewellery
Stand 375
£1,975.00**

Emerald Cut Aquamarine & Diamond Dress Ring. A striking aquamarine and diamond 1950's dress ring featuring a beautifully proportioned emerald-cut aquamarine displaying delicate sea-blue tones. The substantial centre stone is 6ct and is mounted in an 18ct white gold four-claw setting, framed by elegant diamond-set shoulders totalling 0.35ct. The gallery features beautiful scroll and pierced designs. Each shoulder is adorned with a combination of marquise-cut and round brilliant diamonds, creating a sophisticated balance of geometric and organic forms while adding additional brilliance to the design. The aquamarine measures 12mm x 10mm. The clean architectural lines of the emerald cut showcase the aquamarine's remarkable clarity, whilst the 18ct white gold setting enhances the gemstone's cool, watery hues. Elegant and dramatic in equal measure, this ring offers impressive finger coverage and makes a wonderful statement piece.
