Silver Albert Chain With T-Bar 20? - Saddingtons Jewellery Stand 375
£995.00

Silver Albert Chain With T-Bar 20?. A substantial antique silver Albert chain dating from the Edwardian period, crafted with handsome curb links and retaining its original T-bar and twin dog clip fittings. Originally designed to secure a gentleman’s pocket watch, Albert chains have become highly sought-after today as statement necklaces, appreciated for their quality, weight and timeless style. This example is particularly desirable, weighing an impressive 75.5 grams and featuring beautifully curb links that create a strong and elegant silhouette when worn. The chain is fitted with its original T-bar and matching twin dog clips, allowing it to be styled in a variety of ways, either traditionally or as a contemporary necklace. There is W.L makers mark and lion passant hallmarks on each linkconfirming the Albert is made from silver. The substantial silver weight and exceptional craftsmanshipare characteristic of the finest Edwardian examples.
