

1.63ct Diamond & Sapphire Ring - Saddingtons Jewellery Stand 375
£6,750.00

Excellent 1.63ct Diamond & Sapphire Ring. An amazing diamond and sapphire ring centred upon a magnificent Victorian old-cut diamond weighing approximately 1.63 carats, later mounted in an elegant contemporary 18ct gold setting. The beautifully proportioned diamond displays the broad, lively facets and distinctive character associated with Victorian-cut stones. Exhibiting a delicate light yellow tint, the diamond possesses exceptional presence and warmth, complemented by twobaguette-cut sapphires set either side of the principal stone. The rich blue sapphires provide asophisticated contrast to the diamond, creating a refined and timeless design. The contemporary 18ctgold mount has been thoughtfully designed to showcase the antique diamond while offering thedurability and wearability expected of modern jewellery. The clean geometric lines of the setting allowthe beauty of the historic stone to take centre stage. A wonderful marriage of antique andcontemporary craftsmanship, this ring would make an exceptional engagement ring or a distinctiveaddition to any fine jewellery collection.
