Longines Flagship – Black Dial – Diamond Markers – Ref. L4.274.4.57.6

This Longines Flagship is a superb example of the brand's premier collection line, presented in excellent condition and perfect working order. Elegant, understated and set with diamonds, it blends classic dress-watch aesthetics with everyday practicality.

The 25mm stainless steel case features a smooth polished bezel and striking black dial set with 12 diamonds totalling 0.34ct, with date displayed at 3 o'clock. The automatic movement is visible through the exhibition case back and has been fully tested for accuracy and water resistance to 30metres.

Fitted to a stainless-steel bracelet with concealed folding clasp, it will comfortably fit a wrist up to approximately 17.5cm.
