

**Jacob & Co. Five Time Zone with Manual & Diamond Factory set
£2,500.00**

Watch: Jacob & Co. Five Time Zone
Stock Number: CHW7146
Price: £2500.00

A standout early generation Jacob & Co. Five Time Zone, dating to c2005 and representing one of the models that defined the brand's identity in the early 2000s. This is the largest and most iconic 47mm version, enhanced by a factory set diamonds surrounding continents.

Unlike later production, these early pieces were not assigned traditional reference numbers, instead identified by their city displays and production numbers — this example being number A4894, featuring Los Angeles, Paris, New York and Tokyo.

Quartz movement operating correctly.

All time zone functions working as intended.

Supplied with our 12 month guarantee.

Our View

The Five Time Zone is one of the watches that defined early 2000s watch culture. Bold, expressive and instantly recognisable, it remains highly collectible today. The 47mm case gives it real wrist presence, while the diamond dial elevates it beyond the standard models.

With its numbered production, signed strap and early generation design, this is a true statementpiece and a significant example of Jacob & Co.'s rise to prominence.
