Omega Constellation – Ref. 795.1203 2010 – 23mm – Steel & Gold – Tapestry Dial – Quartz

Dated to 2002 by the warranty card, this Omega Constellation Ladies Quartz model represents excellent value in our view. Elegant, discreet and beautifully balanced, the Constellation line remains one of Omega's longest-running collections thanks to its timeless design and durability. This particular example features a desirable tapestry dial paired with a steel and yellow-gold case and bracelet.

Case & Dial

23mm stainless steel case
Yellow-gold bezel with black Roman numeral hour markers
Original Tapestry dial
Gold baton hour markers
Gold-tone hands and matching gold crown
Sapphire scratch-resistant crystal

Movement

Quartz battery-powered movement
Fresh battery change completed
Pressure tested
Reliable, low-maintenance and ideal for everyday wear

Bracelet

Original steel & yellow-gold Constellation bracelet
Hidden folding clasp
Fits wrists up to approx. 16cm
Additional links can be sourced upon request

Condition

Left unpolished to retain originality
Can be polished upon request
Dial and crystal: perfect condition
Bracelet and case: minor light wear consistent with age, nothing significant
Overall condition rating: 8/10

Our View

A refined and beautifully proportioned ladies' Constellation with the sought-after Tapestry dial, this 2003 example offers excellent value for money. With its steel and gold construction, elegant styling and strong mechanical performance, it makes an ideal daily luxury watch.
