

Vintage Snake Bangle - Saddingtons Jewellery Stand 375
£1,750.00

Vintage Snake Bangle. This striking vintage snake bangle is crafted in 9ct yellow gold and bears Birmingham hallmarks for 1986. Designed as a coiled serpent wrapping elegantly around the wrist, the bangle features beautifully engraved detailing to the head and scales, with faceted ruby eyes providing a flash of colour. The snake motif has long been associated with eternal love, wisdom and protection, making serpent jewellery one of the most enduring and collectible designs in jewellery history. Popularised during the Victorian era and remaining highly sought after today, snake jewellery continues to captivate collectors with its symbolism and distinctive appearance. The flexible coiled design allows the bangle to sit comfortably on the wrist, while the richly coloured gold and engraved decoration highlight the quality of its craftsmanship. The ruby-set eyes add a subtle but luxurious finishing touch, bringing life and character to the piece.
