£795.00

Watch: Longines Vintage 7033-5 / 866
Stock Number: CHW7159
Price: £795.00

A wonderful example of an early Longines manual wind watch dating to the 50's, serviced and a new strap added with just a light hand polish this watch is ready to go. Presented in our watch pouch and guarantee for 12 months with shipping included. Try finding an example like that under £800!

35mm stainless steel case with a silver dial that has discoloured over the years and gained a patina. Gold coloured hour markers and hands. Manual wind operating from a 12.68Z calibre that has recently been serviced.

Originals steel crown and fitted to a new red leather strap that can be changed upon request.

Condition: Worn and some marks can be seen across the case as you would expect with a watch of such age but nothing significant. Dial has aged and shows discolouration as you can see in the images.

Accompanied With: New Strap, Insured shipping, 12 month guarantee, Presentation pouch (can be gift wrapped upon request).

Working Order: As good as it can be on a recently serviced watch. Running exceptionally well at just plus 5 or 6 seconds per day.

*Should be noted there is a case back marking. 25 years service at Phillips Croydon Works Ltd Mr A B J Slater.

Our View - What a watch for under £800! Fully serviced, fresh strap and still with that vintage lookand feel.
