Edwardian Gold Shell Pearl Bracelet - Saddingtons Jewellery Stand 375 £1,250.00

Lovely Edwardian Gold Shell Pearl Bracelet. This gorgeous antique Edwardian bracelet is crafted in 9ct yellow gold and features 10 beautifully detailed alternating shell-inspired links, each accented with a lustrous natural pearl. Dating from the early 20th century, the bracelet perfectly captures the elegance and femininity that defined Edwardian jewellery design. The shell motifs display fine ribbed detailing, creating texture and depth throughout the piece, while the pearls provide a soft, luminous contrast against the warm gold. Delicate gold chain links connect each section, allowing the bracelet to sit comfortably and gracefully on the wrist. Jewellery inspired by nature was highly fashionable during the Edwardian era, with shells, flowers and flowing organic forms frequently appearing in fine jewellery. The bracelet measures 8.5 inches but can be adjusted upon request. Please contact us if you would like to know more about this beautiful bracelet or visit us at Saddingtons Jewellery, Mayfair.
