

**Victorian Single Stone Diamond Gypsy Ring - Saddingtons Jewellery
Stand 375
£1,095.00**

Victorian Single Stone Diamond Gypsy Ring. A gorgeous Victorian diamond gypsy ring crafted in rich 18ct yellow gold, set with a 0.40 ct Victorian brilliant-cut diamond in a classic star setting. One of the most enduring designs of the Victorian era, gypsy rings were prized for their practicality and elegant simplicity. This example features a bright old-cut diamond securely star set into the gold, creating a striking contrast between the sparkling gemstone and the warm gold mount. The broad, tapering band sits comfortably on the finger, making it as wearable today as it was over a century ago. The diamond is H-I in colour and VS2 clarity. Victorian gypsy rings have become increasingly sought after for their timeless appeal, robust construction and understated elegance. Equally suited as a unique engagement ring, signet-style dress ring or addition to an antique jewellery collection.
