

Zenith 20-1
£595.00

This beautifully preserved vintage Zenith Automatic brings a touch of understated luxury and refined character to the wrist. It features a gold-plated case with a classic, elegant shine that pairs perfectly with a brand-new matte black alligator-style strap. Benefiting from a recent professional service, the watch is running near perfectly and remains in excellent working order—a testament to Zenith's legendary Swiss craftsmanship. It makes a timeless daily wearer or a standout addition to any vintage collection.
