£595.00

Unoaerre Twisted-Rope Hoop Earrings. A stylish and versatile pair of Italian Unoaerre hoop earrings crafted in 9ct yellow gold. Designed with an elegant twisted rope-effect finish, these classic hoops showcase the quality workmanship and timeless design for which Unoaerre has become internationally renowned. Measuring approximately 47mm in diameter, the earrings offer impressive visual presence whilst remaining lightweight and comfortable to wear. The polished twisted design catches the light beautifully from every angle, making them an ideal choice for both everyday wear and special occasions. Founded in Arezzo, Tuscany, in 1926, Unoaerre is one of Italy's most respected jewellery houses and is celebrated for producing finely crafted gold jewellery with distinctive Italian flair. The company's name derives from its original maker's registration mark, star 1AR, making it one of the most recognisable names in Italian jewellery manufacture. These earrings are fully hallmarked and signed, bearing the Unoaerre maker's mark, the Italian registration mark star 1AR, and the gold fineness mark 375, confirming 9ct gold. Additional factory and production marks are also present. With their timeless styling, quality Italian craftsmanship and wearable size, these earrings remain as fashionable today as when they were first made. A superb addition to any jewellery collection and a classic example of late 20th-century Italian gold jewellery design.
