Our View

The 126713GRNR "Zombie" is one of Rolex's most exciting modern GMT releases. The monochrome black and grey bezel gives it a more understated, contemporary aesthetic, while the two-tone Rolesor case ensures it still carries presence on the wrist.

Paired with the Jubilee bracelet, it offers both comfort and refinement, making it equally suited to travel, daily wear or collecting. With its unworn condition and full-set completeness, this is an outstanding opportunity to secure one of Rolex's most in-demand current references.
